

NCSS, LLC Statistical Software Price List & Order Form (Government)

Government pricing is available to local, state, province, or national governments and affiliated government organizations.

Each license price listed here is for an individual, named user. These are not concurrent-use licenses. For information about multi-user licenses, please [contact us](#).

Prices are in U.S. dollars (USD).

Visit www.ncss.com to view the [software license agreements](#) or to [place your order online now](#).

All PASS & NCSS licenses include:

- Email and Phone Support by PhD Statisticians
- Complete PDF Documentation
- Free Getting Started and Training Videos
- Free Software Updates (i.e., bug fixes)*

* Software Updates refer to bug fixes and minor improvements to the version you have purchased, not major upgrades to new versions.
